Sir,

Subject:- Revision of the scale of pay of sweepers and scavengers and other menials of Harihar Town - Municipality

---

In forwarding herewith the entire file of correspondence ending with letter No. C 53/43-44 dated the 12th instant received from the President, Town Municipal Council, Harihar, on the above subject, I have the honor to state that the sweepers and scavengers applied to the president to enhance their pay, as it was impossible for them to maintain themselves in Harihar town, on account of the costliness of living due to the present conditions. The subject was placed before the Municipal Council at its meeting held on the 20th February 1944, when it was resolved that a uniform enhancement of pay of Rs 2/- each per mensem may be paid out of closing balance for all classes of menials, sanction of Government being obtained therefor.

According to the proposition statement enclosed in the file it is seen that the extra expenditure will be Rs 66/- per month or Rs 792/- per Annum. The President recommends that the revised scale may be given effect to from 1st March 1944 the extra expenditure on this account being met out of the closing balance during the current year. Necessary provision for the purpose being made in the budget estimates of the Municipality from the next official year and onwards.

In enclosing herein a copy of the resolution of the Municipal Council, I request that Government may be pleased to -

p.t.o

to accord sanction to the recommendation of the President to enhance the pay of the above staff with effect from 1st March 1944, the extra expenditure being met out of the closing balance during the current year

I solicit the favour of early orders of Government in the matter
